MESSAGE FROM THE PRESIDENT OF THE COLLEGE

A warm, cordial welcome awaits you at Montreat-Anderson College. You will quickly come to know everyone by name and everyone will know you.

The Faculty have dedicated themselves to the ministry of teaching in a Christian college. They are here to guide you as you grow into mature men and women in body, mind and spirit.

The regulations for student life which you find in this booklet have been agreed upon by the Faculty and Student Leaders as the minimum requirements for a happy life together in a Christian college.

I shall look forward to the pleasure of meeting and knowing you personally. If at any time you think I can be helpful, please come to see me.

Most cordially yours,

DR. C. GRIER DAVIS, President
Montreat-Anderson College

MESSAGE FROM THE DEANS OF STUDENTS

The college year of 1964-1965 is opening and, with it, a new experience and a new opportunity for all of us—returning students, faculty, members of the administration, and entering students.

Montreat-Anderson as a church related college has standards and ideals which are different from some of those accepted in the world as a whole. By becoming part of this college, all of us have indicated that we are willing to participate in life in a Christian community.

Such a community should be and can be a place of mutual trust and love, of wholesome good times and serious achievement, of rounded development that includes growth in the area of man's deepest need, which is spiritual.

Whether or not the goal of such a community is reached and whether or not this is a thrilling and happy college year depends not on someone else but upon us as individuals. We can fight against the spirit of the place and be miserable and make others unhappy, or we can enter in and, together with the others who are doing the same thing, create with God's help, a community where we will discover real joy in living and the possibility of lasting accomplishment.

Sincerely,

ELIZABETH WILSON,
Dean of Women

ALLAN GUY,
Dean of Men

THE HONOR SYSTEM

Life at Montreat-Anderson College is based on the belief that the ideal community is made up of honorable individuals. Mutual trust and consideration are essential to such a community, and it is for these that we strive.

Each student and faculty member has a responsibility for himself and for every other member of the college community. The failure of one person to live honorably is in part the failure of all. The movement of one individual toward complete understanding of Christian living is a step toward honorable living for the whole college.

For this reason the students at Montreat-Anderson College have accepted the "Honor System," under which each student agrees to try to discipline his own life and to be ready to help all others to discipline their lives toward the goal of a community in which each member will merit trust and respect. It is in large part due to the acceptance of faculty and students of the Honor System as a way of life, that the "Spirit of Montreat" is a reality, not only on the campus, but wherever former Montreat students are found.

THE HONOR CODE

Students of Montreat-Anderson College are placed on their honor:

1. To tell the truth at all times.
2. To have scrupulous regard for property rights of others.
3. To be entirely honest in every phase of academic work.
4. To uphold all student government and administrative rules.
5. To report any violation of the Honor System.

THE HONOR PLEDGE

I pledge with God's help to uphold the Honor Code of Montreat-Anderson College. I state my acceptance of the principles expressed in this Honor System and pledge to live so as to make it meaningful to myself and to the college community.

STOP!

It is a common habit to avoid reading constitutions, but this is the revised constitution of the Student Government Association, adopted by the student body in May, 1964. It is the way we are going to live at Montreat-Anderson College in 1964-65 and we ask you to consider it carefully.

Any student failing to pass 9 semester hours of academic work at the mid-semester grading period may remain in the college only upon the approval of the Executive Dean. Any student who fails to pass 9 semester hours and obtain 6 quality points at the end of any semester will be ineligible to continue his work at the college the following semester. A student not meeting this minimum standard may be permitted to register for the succeeding semester upon the recommendation of the student's instructors and the approval of the Executive Dean.

1. Prospective students may spend the night in the dormitories without charge.

3. No guest may stay in any college dormitory unless there is a student host or hostess who is responsible. **The host or hostess is to inform all guests of dormitory regulations, and visitors are expected to abide by such regulations.** Failure to do so will result in penalties to the student host or hostess.

4. Guests in a dormitory on week nights must abide by Quiet Hours for Study Hall from 7:30 to 10:00 P.M. On Saturday night the dormitory must be quiet after twelve o'clock and after 10:45 P.M. on Sunday.

1. Due to the large number of people depending upon a single telephone in each dormitory, students are asked not to make telephone calls between dormitories unless the calls are urgent.

2. No dormitory-to-dormitory calls may be made from 7:30 to 10:00 P.M. or after 11:00 P.M. (5 demerits).

3. Regular chapel is held four times a week—Monday, Wednesday, Thursday, and Friday.

4. Day students are required to attend Chapel when they are on campus for a second or third period class.

2. **All** meetings must be conducted by parliamentary procedure. Any student who willfully impedes the procedure by being out of order will receive 1 penalty.

   c. Class Meetings (3 demerits for each absence)

4. Any excused absence from the above meetings must be obtained from the respective president before the meeting.

2. Any sophomore with a 1.0 average may have

a car providing:

a. He secures specific permission from the Cabinet of the S.G.A. **before** bringing the car on campus.

5. Any transfer student with a 1.0 average may have a car **after** he has completed one semester at Montreat if explicit permission is granted by cabinet **before** bringing the car onto campus.
6. **Anyone bringing a car onto campus at any time for any reason without explicit consent of the cabinet of S.G.A. shall receive 15 penalties and be subject to suspension from college.**

P. FRESHMEN ORIENTATION

During the first nine weeks of the first semester, an intensive orientation program is provided for all new students. One phase of orientation centers in guided discussions of the Handbook, concluding with a test on the contents.

In order that new students may become well established in their college work, no weekend permissions will be granted during the first **six** weeks.

After the six weeks' period, freshmen may take 3 weekends off campus the first semester. Second semester weekends will be based on first semester grades. (See "F" above).

Except for weekend permissions, the orientation period will be considered to extend over nine weeks.

II. STANDARDS OF THE COLLEGE REGARDING:

A. CHEATING, STEALING, AND LYING

2. At the beginning of the college year, each instructor will explain his policy as to how much collaboration on home work is in order for his particular course.

B. BEHAVIOUR UNBECOMING TO THE STANDARDS OF MONTREAT WILL WE REVIEWED FOR SUSPENSION OR DISMISSAL.

(See report of Standards Committee of S.G.A.)

C. ALCOHOLIC BEVERAGES

The drinking or possession of alcoholic beverages is prohibited for any student during the college year, at all times except when the student is in his own home. This regulation is in effect during the travel of students to and from home. Violation of this regulation makes students subject to dismissal. (15 penalties)

D. GAMBLING

Gambling is prohibited for any student except when the student is in his own home. This regulation is in effect during the travel of students to and from home. (10 penalties).

E. PROFANITY

The use of profanity has no place on the campus of a Christian college. In addition, it displays a poverty in vocabulary and is evidence of poor

taste. Continued use of profanity after one warning will result in disciplinary action. (2 penalties)

F. HAZING

Any type of physical or verbal punishment, humiliation, or intimidation by any student of another is prohibited. (10 penalties)

G. FIREARMS

The possession of firearms, firecrackers, or explosives of any kind is prohibited on the campus. (10 penalties).

H. SMOKING

Montreat-Anderson College discourages smoking by students. The college permits smoking under conditions set forth under Student Government Regulations for men and women students.

III. EXPLANATION OF DISCIPLINARY MEASURES

A. LATE MINUTES

1. Late minutes are accumulated by failure to return at the regulated time for dormitory closing and by exceeding the hour granted in a late permission.
2. Late minutes are accepted by the student on arrival or are assigned to the student by a Student Government Court.
3. Ten late minutes add up to 3 demerits.

B. DEMERITS

1. Demerits are given primarily for violation of dormitory regulations and may be assigned by House Officers, Hall Courts, or Dormitory Councils.

2. **When a student accumulates 15 demerits, he automatically receives 3 penalties and a 2 weeks' campus** unless he chooses hard labor for three hours under the direction of the Head Resident in the dormitory. He has the privilege of such a choice for the first 15 demerits in any one semester.

C. PENALTIES

1. Every penalty is recorded on a "Citizenship Sheet" clipped to the Permanent Record of the student in the office of the Registrar.
2. When 10 penalties have been received in one semester by a student, he is considered to be on disciplinary probation and the student and his parents or guardian are notified.
3. **When 15 penalties have been received in one semester by a student, he is subject to dismissal and his case is examined by the Cabinet and may be referred to the Administration, or a Campus or Restriction may be imposed by Cabinet.**
4. The Dormitory Councils or Cabinet may assign penalties.

D. CAMPUSES

1. A "campus" requires that the student not leave the campus at any time during the specified length of time. If a student breaks his campus, other disciplinary action will be taken.
2. A campus may be given by the Dormitory Councils or by Cabinet.

E. RESTRICTIONS

1. A "restriction" requires that a student give up all honors on the campus and not participate in any campus activity except classes, meals, library, scholarship work, chapel, church ser-

vices, and official college functions. A student on restriction may not visit or receive visitors. Additional terms of the Restriction may be added according to the individual case.

2. A restriction may be given by the Dormitory Councils or Cabinet.

3. When a student is campused or restricted, the President of S.G.A. will post on the bulletin board the name of the student and the reason and duration of the penalty.

F. REQUESTS FOR WITHDRAWAL, SUSPENSION, OR DISMISSAL

1. When a case is serious enough to point to request for withdrawal, suspension, or dismissal, a Dormitory Council may recommend such action to Cabinet, which will review the case. Cabinet may then send the case to the Administration with the recommendation which seems appropriate.

2. A case may originate in Cabinet.

3. Final responsibility for the requested withdrawal, the suspension, or the dismissal of any student rests with the Administration.

G. DELEGATION OF RESPONSIBILITY BY STUDENT GOVERNMENT

1. The officers of the Student Government Association, as well as the other students, have come to college primarily to acquire an education.

2. For this reason the Dormitory Councils and the Cabinet will turn over to the Administration any disciplinary case serious enough to require a trial, should the case arise one week before or during the formal examination period at the end of each semester.

H. RECORDING DEMERITS AND PENALTIES

1. Each week following the meeting of Hall Courts, each Hall Court Chairman will turn over his record of demerits assigned for his Hall Court to the House President of his dormitory. House Presidents will bring the records of all demerits assigned by Hall Courts and all demerits and penalties assigned by Dormitory Councils and turn over such records to the Secretary of Cabinet.

3. The Secretary of Cabinet is responsible for placing these records in a permanent file in the offices of the Dean of Men and the Dean of Women.

OTHER STUDENT ORGANIZATIONS

PHI THETA KAPPA

Phi Theta Kappa Honor Society is a nationally chartered junior college scholastic society. The Mu Lambda Chapter of Phi Theta Kappa was installed at Montreat-Anderson College in January of 1963 by Dr. O. C. Carmichael, educator and former President of the University of Alabama.

Manyin G. Knudson, a former president of the American Association of Junior Colleges, says: "Phi Theta Kappa serves as an incentive for students to work to capacity and to be proud of scholastic ability . . . In striving to establish an academic atmosphere of excellence, Phi Theta Kappa performs a service for all those who are truly interested in the educational development of our youth."

To maintain membership, a student must carry at least fifteen hours a term or semester and must at the end of any given term or semester have a grade point ratio of not less than 2, which is a B.

BUSINESS CLUB

The club is the student organization of the Business Education Department. Its purpose is to give to its members both "educational fun" and programs which awaken the students to real standards and activities in business life. Trips are taken to business centers; outside speakers are invited to address the club.

COLLEGIATE COUNCIL FOR THE UNITED NATIONS

The Collegiate Council for the United Nations is an intercollegiate organization formed for the purpose of stimulating an understanding on the campus of the aim, scope, and functions of the United Nations, and to give expression to student opinion on the United Nations through cooperation with state, regional, and national councils for the United Nations.

LANGUAGE CLUBS

The language clubs provide an opportunity for those interested in the people and cultures of other lands to learn more about them in an informal way. Movies, fiestas, visiting nationals, games and reports help to make the language student more aware of the necessity of the ability to communicate. Membership in the clubs are open to students of French and Spanish and to any others who are interested.

THE HIKING CLUB

The Women's Recreation Association and the Men's Intramural Association conduct hikes almost every week-day afternoon, weather permitting. All students are encouraged to participate in this hiking program. Students who participate regularly in the sponsored hiking activities may become members of the Hiking Club.

MONTREAT CHURCH CHOIR

All students who have pleasing voices and who are interested in participating in the worship service through music, are invited to join the choir. The first two Sundays of every month, services of the Montreat Church are broadcast.

MONTREAT-ANDERSON SINGERS

Members of this group are chosen through auditions at the beginning of the fall term. In addition to concerts on campus, the Singers present concerts in churches, schools, radio and T.V. stations in surrounding areas. The highlight for the Singers, and of interest to the student body, is the annual extensive tour.

"M" CLUB

The "M" Club is the honorary recreation org-

anization for both men and women. To become a member you must prove skillful in sports, practice teamwork and good sportsmanship, and show an active interest in the recreation program of the college, including the activities of either the M.I.A. or the W.R.A.

THE THALIANS

Each year the college drama club presents several plays for the student body and also presents plays to various clubs and organizations in the Asheville area. The Thalians need actors, directors, backstage specialists, costumers, make-up artists, construction workers, and publicity agents. Whatever your theatrical interest, there is a place in the Thalians for you.

CANTUS FIRMUS

Organized in 1955 to promote a better understanding and greater appreciation of good music of all types, the Music Club is open to all students who are interested. Through lectures, discussion, and performances, the student has the opportunity of becoming familiar with the standard repertoire, including the works of contemporary composers.

WHAT WE DO . . .

Saturday Nights: movies, concerts, plays, skating, dancing, square dancing and other activities are offered for your weekend entertainment.

The Freshman Talent Show: This is the first "major production" of the year and the first class project of the new Freshmen. It is eagerly awaited by the upperclassmen and faculty, so do your best!

Thanksgiving: Our traditional Homecoming is held on Thanksgiving weekend. Activities include the touch football and soccer games sponsored by the Men's and Women's Recreational Associations; the Thanksgiving Banquet; and the Harvest Ball, the big formal dance of the first semester.

Christmas: The annual Christmas party is given by the sophomore class just prior to the Christmas holidays. The S.C.A. and S.G.A. sponsor Christmas projects through which gifts are made to needy families in the community. One of the traditions enjoyed by the girls during the Christmas season is that of playing "Angels and Mortals". Each girl is an "angel" and does secret good deeds for her "mortal."

Spring: The annual tour of the Montreat-Anderson College Singers is made during the spring. The Thalian play is another event, and on the first Saturday in May, the traditional May Day program is held. This includes the honoring of the May Queen and her court with a program of drama and dance given by the students. Many prospective students visit the campus for May Day.

Christian Service Activities: Opportunities are available in field work in the surrounding communities. The choir sings once a month for the morning worship service at the Veterans' Hospital

at Oteen; student groups through the S.C.A. conduct Sunday School and youth programs at the Western Carolina Tuberculosis Sanatorium. One of the S.C.A. groups has charge of the youth program at a Presbyterian church near Black Mountain.

Graduation Dinner and Dance: A formal dinner and dance are given by the Freshmen for the Sophomore class in the spring. This is the big formal dance of the second semester.

Faculty-Student Dinners: Once a month members of the faculty and administration join the students in the dining room for a dress-up dinner. At other times throughout the year, students are entertained in small groups in the homes of the faculty and other community residents.

Church and Vespers: The pastor of the Montreat Presbyterian Church is also the chaplain of the college. Students are made very welcome in his church. The Sunday evening vesper program is under the direction of the S.C.A.

WHERE WE GO . . .

When you're sick: You should go to the Infirmary or see the Head Resident. Clinic hours are held regularly at the Infirmary. If you need to see the nurse at other times, notify the Head Resident.

When your clothes are dirty: Coin-operated washers and dryers are located at the washerette in the new Montreat Shopping Center. Dry cleaning may also be sent out through the washerette and picked up there. Ironing facilities are located in each dormitory. A linen service for sheets and towels is available.

When you need a place to keep your money: You are urged not to keep money in your room. The college cannot be responsible for losses when you

do. The college operates a student bank, located in the Business Office in Gaither Hall. The bank is open every day at scheduled times and you may deposit and withdraw as you wish.

When you expect a letter: The Montreat post office is a short walk from the main campus. Three mails are received a day, one in the morning and two in the afternoon. Each student must rent a box.

When you need to consult about your academic work: Each of you will have a faculty advisor who will help you plan your courses and who will counsel with you in all matters pertaining to the academic. Keep in frequent contact with your advisor.

When you need to change your schedule: See your faculty advisor and Mr. Stockton.

When you need financial aid: An emergency loan fund is available for small loans. See Miss Wilson for details. See Mr. Stockton for information on the National Defense Loans and Scholarships.

When you wish to schedule meetings: Clubs and organizations have regular meeting times. The schedule is posted at the beginning of the first semester. To schedule called meetings, see Miss Wilson and place it on the Social Calendar.

When you want to know what's going on: Read the bulletin boards located in the rear entrance hall to Gaither Hall everyday! This is the central source of all important communications from the faculty, administration, and student government.

When you have a personal problem: Miss Wilson or Mr. Guy are available for counseling and are interested in helping you through any of the difficult situations that may arise. Mr. Theilman,

the College Chaplain, is also available for counseling.

When you want a snack: Coke and cookie machines are located in the dorms. The snack-shop at the gym is open most of the time, and the vending machines offer a variety of food. There will be a new Student Union open this fall.

ALMA MATER

(Tune: "Believe Me If All Those Endearing Young Charms."
Words by Mrs. Lucille Belk Armistead).

How dear to our hearts will the memory be
Of the days we have spent in thy care,
When within thy dear halls we have lingered awhile
All thy gifts and thy blessings to share.

So the memory of thee will ever remain,
While we think of each dear hallowed scene;
And the bonds of true loyalty, blest through the years,
Our affections will ever keep green.

Then, to thee, Alma Mater, we'll ever be true,
Though the coming years scatter us far;
And the ideals you taught us will ever be bright,
Shining out as our life's guiding star.

We will cherish thy name wherever we roam
And forever thy praises repeat.
Hail to thee, Alma Mater, our happiest days
Are the days we have spent in Montreat.
